

About the developer

Scott McDonald PC Services is the maker of Teacher's Personal Markbook. SMPCS is owned by Scott McDonald B.Sc, Dip. Ed, MACS who is a graduate of The University of Sydney with a Bachelor of Science majoring in Computer Science and Pure Mathematics. Scott is also qualified as a teacher graduating from Sydney College of Advanced Education with a Diploma in Education (Secondary) and is proud to be a member of the Australian Computing Society.

Teacher's Personal Markbook is the result of combining his knowledge of computing, mathematics and teaching into easy to use software for teachers. The Teacher's Personal Markbook is one result of his 19 years experience developing software for the PC.

When programming Scott is influenced by the writings of:
